

Hagmans Foam shampoo Ceramic

Product Description:

Hagmans Foam Shampoo Ceramic - High-foaming car shampoo with ceramic additives. Washes the car clean and gives a glossy fine paint.

Area of use:

For exterior cleaning of all painted surfaces, plastic parts and glass on car, motorcycle, truck, bus, motorhome, caravan, trailer, boat, etc. Hagman's Foam Wash Ceramic can be used on a paintwork that is not waxed to get clean and easy-care surface. The shampoo can also be used as a maintenance product on a waxed or varnish treated car to extend the strength of the wax. To get that little extra protection and shine it's recommended to apply Hagmans Spray Wax Ceramic after you are done washing with Hagmans Foam Shampoo.

Technical information:

Application temperature: From about + 1°C up to + 25°C.

Material-consumption: 1 bottle - 500 ml, sufficient for approx. 10 washes.

Dilution: Ca. 50 ml to 5 litre of water, i.e. 1 capsule / litre of water.

Shelf life: At least 2 years.

Instructions of use:

- Before washing the car, make sure you are in a intended area.
- Make sure the car is free of gravel, stones and other rough particles that can scratch the varnish. Rinse the car, preferably with high-pressure washer.
- Pour the recommended amount of Hagman's Foam Shampoo Ceramic into the bottom of a 10 litre bucket. Fill with water to form a strong foam.
- Alternatively, use a foam lance to apply the shampoo to the car.
- Wash the car with a sponge or microfiber cloth and work from the top to bottom. Start with the cleanest parts, roof, hood, etc.
- After washing the entire car, rinse it with clean water.

Tip:

In order not to get marks of water drops on the varnish and windows, wipe the car with Hagman's Drying towel blue. It leaves no streaks or stains.

If you want extra good drainage and gloss, it's recommended that after washing treat the paint with Hagmans Spray Wax Ceramic.

If you have spots that are more difficult on the car that you want to get rid of, try products from Hagman's other product range, for example. Power degreasing, Insect Remover.
